GraPa 2020

The 11th Düsseldorf Graduate Conference on Party Research (GraPa), taking place from 7th to 8th February 2020, offers an opportunity for PhD candidates of all disciplines whose projects deal with political parties to present and discuss their work and ideas.

The conference hosted by the Düsseldorf Party Research Institute (PRuF) is divided into twelve panels covering different areas in the field of party research. Each 15-minute presentation is followed by a 15-minute discussion. Each discussion begins with a short response by the panel chair. Comments should be critical but constructive.

The written papers and presentations will be made available for the whole group of participants in advance.
